Commissioner for Patents

Sir:

This Reply is in response to the final Office Action mailed September 25, 2006, received in connection with the above-identified patent application. As the final Office Action set a three-month shortened statutory period for reply (thereby setting a nominal due date of December 25, 2006), the present Reply is timely as Applicants include herewith a request for a one-month extension of time pursuant to the provisions of 37 C.F.R. §1.136(a), thereby extending the due date by one month, to January 25, 2007.
